MAKING A DIFFERENCE

Our 45th Daytona Soulwinning Missions Outreach trip to Daytona Beach, Florida was blessed by God in a very powerful way. This year's trip took place from March 21 – 24, 2012. On Wednesday, March 21st, the 61 young people and adult chaperones were trained the entire after-

noon on how to approach people, engage them in a conversation, and in knowing how to explain to them how to be saved according to the Bible. The adult chaperones (team captains) were trained in how to manage their team of two boys and two girls and minister to their needs.

After yielding their lives in the Wednesday night service held at Berean Baptist Church to be used of the Lord to win lost souls to Christ, these dedicated, fully clothed young people witnessed with a heart of compassion and the power of God on their lives. For the next 2½ days, they witnessed, with compassion and the power of God on their lives.

They shared the plan of salvation with compassion and boldness. Each wore an orange wrist band that stated, "Compassion – Jude v. 22". "And of some have compassion making a difference."

These sold out young people won 1,006 people to a saving knowledge of Jesus Christ!

Thirteen of these sold out young people had never won a lost soul to Jesus before this trip. To God be the glory all thirteen of these young people won their first soul to Christ and many more throughout the 2½ days. I be-

lieve this is such a testimony of what the Lord can do through a yielded, surrendered vessel. "Let not sin therefore reign in your mortal body, that ye should obey it in the lusts thereof. Neither yield ye your members as instruments of unrighteousness unto sin: but yield yourselves unto God, as those that are alive from the dead, and your members as instruments of righteousness unto God." Romans 6:12,13 "Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name." Psalm 100:4. We pause at this time to thank the Lord for the perfect weather (80's and sunshine) the entire time we were there. We thank Him and bless His name for granting to all of us power to witness with boldness and compassion to reach out to people from all over the world, and for safety for each. All glory goes to you Lord, for the 1,006 people who trusted You as Saviour!

I want to thank all the young people, their adult chaperones, from 19 churches and 9 states for allowing the Lord to use them in such a marvelous way! Thank you for being teachable and especially for giving your all to Christ and being useable in His hands.

May God bless all of you and I pray you will make your plans to be with us once again on March 20 – 23, 2013, should the Lord tarry His return!

We are cognizant that nothing can be successful without prayer. We want to thank all those who prayed for this 45th Daytona Soulwinning Missions Outreach and your part in 1,006 souls coming to Christ. In the 45 years of the Soulwinning Missions Trip to Daytona Beach we have had 102,773 professions of faith!

The blessing in my life this week was watching my daughter's desire in her heart to see someone saved. The first day she talked to 117 people and no one got saved. Praise the Lord on the second day the first person she went to after getting out of the van she led to the Lord. This was her first soul that she led to the Lord and her excitement overwhelmed both our hearts. To God be the glory!

On the second day I became discouraged and depressed because everyone I talked to turned me down when I mentioned God. Then I saw this man running and God impressed me with a need to stop him and share the Gospel with him. Of course he was upset but when I mentioned God he became open and attentive. After sharing the plan of salvation with him he said he had lost his salvation a long time ago. I was able to give him assurance of his salvation.

We are told not to talk to life guards or police officers because they are on the job. However, at the end of the day today, I was talking to a couple on the boardwalk, but they were not interested. Immediately two police officers stopped me and asked what I was doing to make sure I was not selling anything. While I was explaining what I was doing I shared the plan of salvation with them. The first officer was interested and thinking about what I was saying. I just thanked God that I was able to plant the seed with people that normally we would not be able to talk to.

The Lord touched my life in a tremendous way this week. I came with the intent to diligently chaperone teenagers to share Christ with others. However, I found these teenagers seeking the will of God to help them boldly share Christ willingly and with compassion as stated in the book of Jude. These teenagers proved the worldview of teenagers to be wrong. They allowed the Spirit of God within them to overcome the flesh. I want to thank Ron and Nancy Reilly for this soulwinning ministry from the depths of my heart. It has increased my desire to witness to the lost.

I was feeling pretty discouraged all day today. Even though people were constantly rejecting my witness I had several people encouraging me all day and I was still excited to share the Gospel. Then, God lead me to this Chinese man and his family. When I shared the Gospel plan of salvation he was excited about the good news of Jesus Christ. God used me to lead him and his son to the Lord and I was glad to see the joy that they had. I am so thankful that the Lord used me today.

This week has been really amazing to me as I had the privilege of leading my first soul to the Lord. When I was on break I started talking with a couple of girls in the parking lot and asked them if they knew where they were going when they died. They said, "No". I shared the plan of salvation with them and they both accepted Jesus Christ as their personal Saviour. I am amazed how God has worked through me to see lives and hearts changed for Him.

I was talking to a guy that was interested but his friends came and said they thought I was being very rude. I was rejected by the next number of people I approached. Then I came to a guy called Trent. After I shared the plan of salvation he said he wanted to be saved. Before we prayed he asked if we were picking out the people that looked bad to talk to or just picking people at random. I told him we were trying to talk to everybody. He said he had been talked to eight times already but this time he wanted to be saved.

This is the first time I have gone on a soulwinning mission trip and shared the plan of salvation with people. Though I was very apprehensive I knew I was in the right place to do the right thing, sharing the Gospel. Our team kept running into hard hearted people that told us to go away before we barely said our names. Then I came to a surfer that was willing to listen. After I shared the plan of salvation he prayed and accepted the Lord. He is the first person I lead to the Lord! Two hours later he came running up to me and said if I told 100 people and only two got saved it would be worth it.
