DR. RON REILLY

SATURDAY, MARCH 19, 2011

Unique Personal Evangelism Daytona Outreach Since 1968

Editor: Dr. Earle E. Lee

This is the day that the Lord hath made. We will rejoice and be glad in it. Yesterday is behind us. We will not get to use it again. Today is the last day we have for the 2011 Soulwinning Marathon. Believe me it is a marathon like we have never faced before.

Remember, I told you yesterday that Friday would be a very hard day. That you would be tired, have sunburn and windburn, tired feet or legs, discouraged, or feel you are being rejected. I reminded you that we could face weather or other difficulties.

It is obvious to all that God gave us great weather yesterday. Let me remind you that God is in charge of the weather and even though we have faithfully prayed for good weather God can choose to give us what He deems best. Abraham made this statement about our God in Genesis 18:25 "...: Shall not the Judge of all the earth do right."

Our God, the God of all the earth did right yesterday in the weather He gave us. God never, never, never, makes a mistake.

God was watching all of us. He may test our faithfulness, our determination, our willingness to do all we can today regardless of the weather. I am proud of our whole team for being faithful Thursday and Friday. Remember God rewards us for going and telling the good news of the gospel, not for the number of souls saved

Let me challenge our entire team as we face this last day of our 2011 Daytona outreach that we remain faithful, accept the day as the day that the Lord has made for us. We will never get to share this day together again. It is a shorter day as many have great distances to travel home. In our hearts we must all thank God for the day He chooses to give us today while we do not slack off in doing our part.

Let us meet all the enemies we will face today head on in the power and might of the Spirit of God. We can and we will rejoice to see the victory God has chosen to give us when the day is over.

Scripture for the Day

"No man can come to me, except the Father which hath sent me draw him: and I will raise him up at the last day."

TESTIMONIES

Peter Callahan - Victory Baptist Church, Mechanicsville, MD

Shortly before my second break, I knew I only had time to witness to one group of people. I prayed for God to send me to receptive people. He led me to a group of four young people. I witnessed to them not realizing that I was missing my snack break. All four of them accepted Christ as their Saviour. God's word is powerful and it is amazing to see it work in people's heart.

Phil Light - Victory Baptist Church, Beaver, WV

As a video photographer I was blessed to watch, through the view finder, many AFC young people witnessing to folks on the beach. I would pray for them in specific ways as their circumstances dictated, but always for power, wisdom, and a surrendered spirit.

When Bill approached a group of sixteen boys playing soccer, it was obvious that two were interested and the rest were trying to be a hindrance. I began praying to the Lord to move them away from Bill while he dealt with the two that were interested. Within seconds they began to move away. As Bill finished with the two the Lord brought back to him some of the others who also listened to Bill to present the Gospel. Dozens of the specific, short prayers were answered immediately and definitely these past two day.

Brandy Ammons - Hillcrest Baptist Church, Harned, KY

Dr. Reilly is right when he says this trip is a life changing experience when we see our young people boldly sharing the Gospel. A young man on my team at the end of the day was led by the Lord to go to a group of men. As a result of Josh's obedience to the Holy Spirit those five men trusted Christ.

Bill Blount - Gospel Light Baptist Church, Bethlehem, GA

Dr. Reilly challenged us this morning and I prayed for a "divine appointment". This appointment occurred toward the end of the day. I approached a woman and her daughter. The mother Regina was focused on every word I shared from the Bible. She gladly accepted the Lord as her Saviour. I asked if I could talk with her daughter. She agreed and knelt with me and helped me present the Gospel to her five year old. I almost began crying as I led this little girl in prayer. Her prayer was so sincere and previous. Praise God He allowed me to be a part of this divine appointment.

Ryan McDowell - Bellmont Baptist Church, Conyers, GA

Today I was witnessing to a girl and her best friend who were babysitting two younger sisters. One girl claimed she had already accepted Christ as her Saviour. Her best friend said she had not so I began witnessing to her. While I was sharing God's plan of salvation one of the four year old girls began to agree with me and started talking about how Jesus died for us and loves us very much. She also, spoke other times as I shared the Gospel. It was amazing to be helped out by such a young person who knew the Gospel story.
